

# Environmental Policy Statement

BIE Group

---

The BIE Group is one of the world's leading providers of third party inspection, expediting, auditing, and technical recruitment services. We recognise our responsibility to prevent pollution in all parts of our operations, safeguard the environment and take positive steps to minimise the environmental impacts of our operations.

The BIE Group aims to comply with applicable environmental legislation and industry codes of practice, seeking to implement good practice and continually improving our environmental performance.

## **Our Aims:**

Implement and maintain an environmental management system that meets the requirements of BS EN ISO 14001:2015;

- ✓ Use energy efficiently and optimise our use of natural resources;
- ✓ Minimise the volume of waste deposited to landfill by reducing, reusing and recycling materials wherever possible;
- ✓ Ensure that our personnel are aware of relevant environmental issues and of their roles and responsibilities in delivering the overall programme and providing training for those with particular responsibilities;
- ✓ Continue to consider environmental factors and risks in our commercial decisions;
- ✓ Encourage the development of services that will help our customers to adopt sound environmental principles and practices.

## **Our Responsibilities:**

- ✓ We will ensure that resources are available to enable us to achieve our objectives and targets;
- ✓ The General Managers of each office are responsible for their environmental performance and the implementation of this policy;
- ✓ All personnel have a responsibility in their area to ensure that the aims and objectives of the policy are met.

## **Communication:**

This policy is communicated to all personnel and is available on our intranet site, noticeboards, reception areas, and on our website at [biegroup.com](http://biegroup.com).
